SUMMARY

Instructor and professional project manager with executive researcher over 3 years of experience providing high level of support to executives. Proficient in communication with internal and external stakeholders. Possess exceptional communication, technical and interpersonal skills with a proven ability to work independently and as part of a team.

EXPERIENCE

Instructor

College of Engineering and Science, Arkansas State University, United States

August 2025-April present, Jonesboro Arkansas U. S.

- Meeting with students from different parts of the world
- Research on various emerging technologies in engineering management and electrical engineering.
- Classes and presentations on quality control and improvement aspects in industries.

Research Assistant

College of Engineering and Science, Arkansas State University, United States

January 2025 -August 2025, Jonesboro Arkansas U. S.

- Developed risk management in I.T. sector with 89.34 %accuracy.
- Optimization within industrial equipment program development having 94.5% accuracy.

Motivating wards to be focused toward their career and goals

Graduate Teaching Assistant

College of Engineering and Science, Arkansas State University, United States

August 2024 -January2025, Jonesboro Arkansas U. S.

- I taught various engineering software for skill development in PLC.
- Developed paper on project management certification, material handling and supply chain with digital twin technology.

Open House Ambassador

College of Engineering and Science, Arkansas State University, United States

April 2024 -Present, Jonesboro Arkansas United States

- Meeting with students from different parts of the world.
- Guiding through the opportunities waiting for them.

Event Coordinator at Indian Student Organization (ISO)

College of Engineering and Science, Arkansas State University, United States

August2025-Present, Jonesboro Arkansas United States

- Meeting and scheduling the event as project using my project management skill set with people.
- On time completion to task with consideration of time , scale & cost factors.

Material Handling

Department of Post, Govt. of India

December 2022 - January 2023, Uttarakhand, India

- Handling documents and files.
- Mails.
- Spreading Government schemes awareness.
- Accounts handling of finance under supervisors.

Mathematics Faculty

Education world, Solution Walla

May 2023 - November 2023, Kurukshetra, Haryana, India

- Lecture delivering.
- Notes handling and preparation.
- Student mentorship.
- Meeting with parents & student guardians.
- Motivating students for doing better in their fields.
- Public speaking.

RESEARCH IN EMOTION RECOGNITION AND LOAD ANALYSIS, POWER THEFT IDENTIFICATION USING MICRO CONTROLLER

UNIVERSITY INSTITUTE OF TECHNOLOGY, KURUKSHETRA UNIVERSITY

January 2021 - May 2022, KURUKSHETRA, HARYANA INDIA

- Research in emotion recognition, load analysis, power system grid, control system, HVDC, Advance Power System Analysis, Advance instrumentation & Control, Renewable Energy Resources, Advance Power System Protection, Engineering Drawing and Graphics, Power Generation and circuits, Digital Electronics, Signal and System, Electrical Machine, High Voltage Engineering, Power Management , Fundamental of Biotechnology

One Day Basic First Aid Training

St. John Ambulance (India), District Center Kurukshetra, Haryana, India

October 2020 - October 2020, Kurukshetra India

- First Aid Course.

Training Course Automation

Infowiz, Chandigarh, India

June 2019 - July 2019, Chandigarh, India

- Automation
- PLC
- Ladder Logics

Solar Module Sales Engineer

Enpossibilities Private Limited

May 2020 - June 2020, New Delhi, India

- Solar Modules Sales Engineer.
- Meeting with clients.
- Installation plans for solar modules.

Training in Automation

Infowiz, Chandigarh, India

June 2018 - July 2018, Chandigarh, India

- ISO Certification in Automation

Personality Development Course

Infowiz, Chandigarh, India

June 2018 - July 2018, Chandigarh, India

- Certification in personality development course

Certification of Participation in Power Tech a National Workshop on Transformers and Power Supply

Electrical Engineering Department Geeta Institute of Management & Technology

**October 2017 - October 2017
Kurukshetra, Haryana, India**

- Presentation deliver on the transformers in the industries
- Meeting with head of department of Power Supply

Senior Professional First Aid

St. John Ambulance (India), Indian Red Cross Society, National Headquarter, New Delhi, India

May 2017 - July 2017, New Delhi, India

- First Aid Certification under Chairman Minister of Health & Family Welfare Government of India

Participation certification

International Equanimity Olympiad

December 2015 - December 2015, Kurukshetra Haryana, India

- Exam of Excellence in Humanity, Morality & Ethics

Certification of Participation 8th SOF International Mathematics Olympiad

Science Olympiad Foundation & International Mathematics Olympiad

December 2014 - December 2014, Kurukshetra, Haryana, India

PROJECTS

Research Paper on Project Management Licensing

Engineering & Construction Management, College of Engineering and Science, Arkansas State University, United States

- January 2024 -April 2024

Emotion Recognition based on EEG signal using Deep Dataset

University Institute of Technology, Department of Electrical, Kurukshetra University • January 2021 - December 2022

Load Analysis through MATLAB Simulation

UIET, Electrical Engineering Department, Kurukshetra University • January 2021 - May 2021

RC Switch Control Modeling

Seth Jai Parkash Mukund Lal Institute of Engineering and Technology, Electrical Engineering Department, Radaur, Yamuna Nagar, Haryana, India

- January 2020 - May 2020

EDUCATION

Master in Engineering Management

Minor in Engineering Management • Arkansas State University, United States • Arkansas, United States • 2024 • 3.7/4

Master of Technology in Electrical Engineering

Minor in Electrical Engineering • Kurukshetra University, Kurukshetra, Haryana, India • Kurukshetra, Haryana, India • 2022 • 3.75/4

- Topper of electrical engineering department

Bachelor of Technology in Electrical Engineering

Minor in Electrical Engineering • Kurukshetra University, Kurukshetra, Haryana, India • Kurukshetra, Haryana, India • 2020 • 3.82/4

- Gold Medalist, Topper of College and University Topper of Electrical Department in 2020

SKILLS

AutoCAD, Python, MATLAB, PLC, Revit, Microsoft Office, Leadership, Problem Solving, Teamwork, Flexibility, Critical Thinking, Communication
